The Oxford Handbook of THE WELFARE STATE

EDITED BY **Francis G. Castles**, University of Edinburgh, **Stephan Leibfried**, University of Bremen, **Jane Lewis**, London School of Economics and Political Science, **Herbert Obinger**, University of Bremen, and **Christopher Pierson**, University of Nottingham

'The Oxford Handbook of the Welfare State, written by an impressive array of scholars, is the book to read to understand the welfare state in all its complexity ...' Vivien A. Schmidt, Jean Monnet Professor of European Integration, Boston University

A compendium of works by prominent thinkers in contemporary welfare state research, this *Handbook* is a unique guide to current trends in one of the most crucial and contested areas of social and political development.
